

The IV International scientific conference
“Geography of art”
Moscow, 2018

Call for papers

On 29–30 March 2018, an international academic conference “The Geography of art” will take place in Moscow.

The organizers of the conference are the Institute of Scientific Information for Social Sciences of the Russian Academy of Sciences (INION RAN), Russian State University for the Humanities (RSUH), Humanities Institute of TV and radio broadcasting named after M. A. Litovchin (GITR), MPRH Institute (Iran).

The conference will consider the territorial problems of culture and art, reflected in the art of the geographical space, the role of regional factors in the formation of art schools and art works. Particular attention will be given to topics such as artistic perception of the cultural landscape, the place of art in shaping the cultural landscape and the image of the territory, the concept of space in works of art.

According to the results of the conference will be published another collection of “Geography of art”.

If your research interests lie in the field of the outlined problems, we ask you to 15 December 2017 to submit an application to participate in the conference with indication of the subject of the speech at olgalavr@mail.ru speaking for 20 minutes. Presentation abstracts (1.5–2 pages A4, 12-point type) should be sent to the same address olgalavr@mail.ru until 31 December 2017. About enabling you to the program of the conference will be notified no later than February 15, 2018.

Unfortunately, the organizing Committee cannot be responsible for the expenses of the participants.
